

SIZE GUIDE

Eureka! Cup®

REMEMBER:

It is an orientation guide, if you have doubts about the size or tonicity of your vagina we recommend that you consult with your gynecologist

Small

- Women with a small vagina

and/or

- Women with a very toned vagina

Medium/Large

- This standard measure, due to its flexibility, allows a better adaptation to the vagina

- Recommended for most women

Extra Large

- Women with a wide vagina

and/or

- Women with a weakened pelvic floor

S

M/L

XL
